

**Boston University** Center for Innovation in Social Work & Health

**Faculty Affiliation Membership Interest Form**

Please complete this form if you are interested in becoming an Affiliate Member of the Center for Innovation in Social Work and Health (CISWH). Affiliate Members represent a broad range of schools, departments, centers, institutions and programs across Boston University and provide disciplinary leadership in the Center’s transdisciplinary work, including outcomes-oriented research, community partnerships, policy development, and education and training activities. Affiliates can be tenured/tenure-track faculty, non-tenured faculty, adjunct faculty, or lecturers. Affiliates serve for 2 years at which point the membership may be renewed. All affiliates will be listed on the CISWH website.

**CISWH Activities.** Affiliate Members participate in various activities related to CISWH’s Cross-Cutting Priorities. Please indicate your level of interest for each of the activities listed below. 1=Very interested, 2=Somewhat interested, 3=Not interested at this time.

- \_\_\_ Active participation in externally or internally-funded CISWH research, training or education projects;
- \_\_\_ Leading, advising, or consulting on CISWH policy development or community partnership activities;
- \_\_\_ Service on the CISWH Transdisciplinary Steering Committee.

**CISWH Cross-Cutting Priorities are listed below.** Please indicate the priorities you are most interested in being involved at this point in time: 1=Most interested, 2=Somewhat interested, 3=Not interested:

- \_\_\_ Trans-disciplinary and cross-sector collaborations that address social determinants of health and promote health equity, racial equity, and social justice;
- \_\_\_ Community-based research that includes meaningful engagement of community partners in all aspects of the work and utilizes existing expertise inside and outside Boston University;
- \_\_\_ Education and training opportunities such as leadership, management, and structural racism;
- \_\_\_ Social workers’ participation in local and national policy development and advocacy regarding health care, public health, and the social determinants of health;
- \_\_\_ Integrated health care models that place social workers in leadership positions;
- \_\_\_ Economic analyses of the role of social work in health.

As an affiliate, you will be expected to participate in periodic CISWH meetings to help guide the development of the Center.
